CITY OF ORINDA UNREPRESENTED EMPLOYEE MANUAL

This document establishes the rules governing benefits and working conditions, which are in effect for unrepresented employees and have been approved by the City Council of the City of Orinda.

This Unrepresented Employment Manual provides the personnel policies and procedures that affect the working conditions and benefits of unrepresented employees appointed to a regular budgeted position (excludes temporary or seasonal employees), in the City of Orinda. Rules, which describe general policies of the City's personnel system, are found in the City of Orinda Personnel Rules. This manual supersedes the City of Orinda Personnel Rules when language is in conflict with this Manual.

- 1.1 Intent:** This Section is intended only to define the normal hours of work and the time for which salary shall be paid. Nothing in these rules shall be construed as a guarantee of hours of work per day or per week, or of days of work per week. The City's pay records, practices and procedures shall govern the payment of all wages.
- 1.2 Hours and Days of Work:** Full-time employees shall work a predetermined work schedule of 80 hours per two-week pay period with the start and end days and times of such workweek determined by the schedule of the employee.

1.5 Payment of Salaries: Employees shall be paid on a bi-weekly basis. Employees will be paid every two (2) weeks, twenty-six (26) times annually. In the event that a payday falls on a holiday that is also a bank holiday, the payday will be the preceding workday.

- City Clerk
- Director of Public Works and Engineering Services
- City Engineer
- Senior Civil Engineer
- Paving Program Manager (Limited Term)

1.7 Salary Range: The current salary range shall be as adopted by the City Council in a Salary schedule which establishes the pay for all unrepresented positions. The schedule shall identify a salary for each “step” within the range (steps “A” through “U”). Effective October 21, 2023, new employees shall be appointed to a step within an approved 5-Step salary range.

1.8 Premium Pay: The Classification of Assistant City Manager/Department Head shall be provided 5% premium pay above his/her salary for the job classification for which he/she holds.

1.9 Longevity Pay: Longevity pay is additional compensation given to employees based on their length of service. The below differentials are additive only and will not compound with a previous differential the employee may have enjoyed. Starting October 21, 2023, the City will pay all full-time employees who have obtained at least a “meets expectations” on their most recent performance evaluation a longevity incentive as follows:

Effective the pay period starting October 21, 2023, employees between ten (10) and up to fifteen (15) years of continuous service with the City of Orinda shall be given a one-hundred dollar (\$100.00) longevity differential monthly.

Effective the pay period starting October 21, 2023, employees between fifteen (15) and up to twenty (20) years of continuous service with the City of Orinda shall be given a one hundred and fifty-dollar (\$150.00) longevity differential monthly.

Effective the pay period starting October 21, 2023, employees between fifteen (20) and up to twenty-five (25) years of continuous service with the City of Orinda shall be given a two-hundred-dollar (\$200.00) longevity differential monthly.

Effective the pay period starting October 21, 2023, employees with twenty-five (25) years or more years of continuous service with the City of Orinda shall be given a two hundred and fifty-dollar (\$250.00) longevity differential monthly.

ARTICLE 2 INTRODUCTORY PERIOD

- 2.1 Length of Introductory Period:** All original and promotional appointments to positions in the regular service shall be tentative and subject to an introductory period. The length of the introductory period shall be six (6) months of actual service and must be completed within twelve (12) months of the hire date.
- 2.2 Objectives of Introductory Period:** The introductory period shall be regarded as a part of the selection process and shall be used to closely observe and evaluate the employees work, to secure the most effective adjustment of a new employee to his or her position and to eliminate any introductory employee whose performance does not meet the required standards of work.
- 2.3 Rejection during Introductory Period:** During the introductory period, an employee may be rejected from employment at any time by the City Manager without cause and without the right of appeal.
- 2.4 Rejection During Introductory Promotion:** An employee rejected during the introductory period following a promotional appointment shall be reinstated to the classification from which he or she was promoted unless charges are filed and he or she is discharged in the manner provided in the City of Orinda Personnel Rules.
- 2.5 Performance-Based Salary Increases:** Upon satisfactory completion of the Introductory Period, the employee may qualify for a performance increase. Advancement within the established range shall be granted by the City Manager based upon performance reviews conducted by the employee's supervisor following the introductory period, and annually thereafter, until such time as the top of the salary range is achieved. Based on a performance evaluation and associated "rating" employees shall advance 5 (5%) "steps" within the range so long as they receive a meets expectations or above rating.

For employees completing an introductory period, the effective date of any step increase is the first (1st) full pay period following the introductory performance evaluation.

For all other employees, the effective date is the first (1st) full pay period following the date of the performance evaluation. The intent is to have a review every twelve (12) months. Performance evaluations should be completed fifteen (15) days prior to the scheduled effective date of the performance-based salary advancement. No salary advancement will be granted until a performance evaluation is completed by the supervisor. The performance due date is applicable even if no performance-based salary adjustment is provided either (1) due to a performance rated as "needing improvement" or (2) as a result of an employee being at the top of his or her salary range.

For new employees, hired after October 21, 2023, the City will establish a traditional Five Step salary structure (5% increments between each step). The 5-Step salary

structure will be equal to Step A, Step F, Step K, Step P and Step U. There is no change to the minimum and maximum ranges, or the general salary increase agreed upon by Council action. The movement from one step to the next 5% increment step will require the employee (not at the top of scale) to obtain a “meets expectations” or above rating on their introductory or annual evaluation.

The intent is to transition all employees to a 5-step salary structure.

General Leave is accrued on the basis of actual straight time hours worked or paid, based on a forty (40) hour workweek. Should the City implement a temporary reduction in work hours (i.e., furlough), employees shall continue to accrue General Leave based on an assumed forty (40) hour work week, or proration based on established part-time status.

EMPLOYEE FRINGE BENEFITS**

7.1 Group Medical/Dental/Vision Insurance:

The City shall continue participation in CalPERS medical insurance plans for employees and their dependents.

The City shall contribute on behalf of the employee the required CalPERS Employer Minimum Contribution amount for plan participants as determined by CalPERS. This amount is one hundred forty-nine dollars (\$149) for 2022 and is scheduled to be one hundred fifty-one dollars (\$151) for 2023.

For Active Members who have elected to enroll in Health Insurance, in addition to the PERS Minimum, the City shall contribute a supplemental / additional amount to be used to pay premiums for Health Insurance Coverage through an Internal Revenue Code Section 125 Plan (PLAN). The Section 125 Plan shall include a provision for premium conversion and may also offer voluntary participation in pre-tax contributions for: health care reimbursements, dependent care reimbursements, and other eligible benefits.

Deductions are made in equal amounts on the first two paychecks issued in a month (24 times per year). Deductions are made in the month preceding the month of coverage (i.e., December deductions are based on premiums for January).

CalPERS establishes when benefits shall begin, which currently is on the first (1st) day of the month following the date of hire or the date the Human Resources Representative receives the completed enrollment form. Employees who do not elect coverage within 60 days of hire may be subject to review and approval by the health insurance company.

Medical Premium Contributions (Active Employees):

Effective January 1, 2022 – December 31, 2022, the City shall contribute monthly the following maximum “Total City Medical Contribution” amounts towards the employee’s monthly medical premium for the employee’s coverage level:

CITY CONTRIBUTION PLAN YEAR 2022			
COVERAGE LEVEL	CalPERS MINIMUM CONTRIBUTION	SUPPLEMENTAL BENEFIT	TOTAL CITY MEDICAL CONTRIBUTION
Employee	\$149.00	\$699.22	\$848.22
Employee +1	\$149.00	\$1,547.42	\$1,696.42
Employee +Family	\$149.00	\$2,056.35	\$2,205.35

Beginning with health plan premium rates effective January 1, 2021, the maximum

Total City Medical Contribution shall adjust as follows. The City shall calculate the percentage increase in each coverage level of the new monthly Kaiser premium compared to the prior year's monthly premium for Kaiser. If the increase is 4 percent or less, the full amount of the increase shall be added to the Total City Medical Contribution and paid by the City. If the increase is over 4 percent, the first four percent (4%) of increase in the Kaiser medical insurance monthly premium rate over the prior Plan Year's Kaiser medical insurance monthly premium rate shall be paid by the City, but amounts over this shall be shared based on the following proportions between the City and the employee, with the City contributing sixty-five percent (65%) of the monthly Kaiser plan increase over four percent (4%) and the Employee paying thirty-five percent (35%) of the monthly Kaiser plan increase over four percent (4%) through an employee-authorized payroll deduction.

See attached example for medical contribution calculation, which is added to the Unrepresented Manual as Exhibit B.

At no time shall the employee receive a City contribution amount more than the selected medical plan cost.

If an employee elects a medical plan offered by the City with premiums exceeding the Total City Medical Contribution, employee-authorized payroll deductions will be made for the difference in premiums, so the employee shall pay for the amount of the selected plan's premium that is over the City contribution as calculated for the plan year. Any employee who is required to partially pay premiums shall be allowed to make these payments with pre-tax deductions through the flexible benefits plan.

7.1.1 Part Time Employment: All part-time employees who work a minimum of twenty (20) hours, but less than forty (40) hours per week, qualify to receive pro-rated health and dental benefits and shall pay a pro rata portion of the health and dental insurance premiums. 7.1.2 Non-Acceptance of Medical Insurance: An employee may elect to opt out of the medical insurance provided by the employer and receive in its place \$474.93 per month, with pro-rated compensation for part-time employees. This option is available to all employees regardless of marital or family status.

To opt out, the employee must certify annually that they have comparable health insurance for themselves, as well as all of their eligible dependent. (Does not include coverage from the Exchange). An election to re-enroll in medical coverage can only occur with the permission of the insurance provider. Cash-in-Lieu is only available for medical, not dental and vision.
